## UNVEILING OPPORTUNITIES DOWN UNDER

Our Software division, led by Phil Thomas, recently visited Australia. Bamboo Software was invited to join Ventia at the Corrections Technology Conference in Adelaide, South Australia, where we collaborate to deliver software services in the justice sector worldwide.

While our Software services remain a mysterious art, the trip proved successful with potential new partnerships and opportunities on the horizon. We're thrilled by the prospects unfolding in Australia's tech scene and remain committed to delivering cutting-edge solutions.

## TOP TIPS

**TIP 1: INCIDENT RESPONSE PLAN**
Be prepared! Having a well-defined incident response plan is crucial for your business to minimise negative outcomes.

**TIP 2: SECURE ALL DEVICES**
Empower your employees! Educate them about the significance of installing security software and keeping it up-to-date.

**TIP 3: BYOD POLICY**
Ensure security and compliance with a well-defined policy.

## SIMON SAYS

"We have noticed a concerning rise in cyberattacks targeting businesses. **It comes as no surprise, considering that last year alone, half of SMEs experienced a surge in such attacks!** As trusted providers, we diligently monitor and implement proactive measures for our cyber customers to ensure their ongoing security."

**Do you know how vulnerable your business is?**
Not sure? Let's catch up and see how we can work together.
