

Software Developer Role – Tech OP Solutions (part of Bamboo Technology Group)

Closing date – open.

Salary - £45-65k.

Join Tech OP, part of Bamboo Technology Group, offering IT, Software, Cyber Security, and Connectivity solutions worldwide. With ambitious growth plans and expansion opportunities into the USA, Asia, New Zealand, and Europe, we need talented individuals to help us achieve our business goals.

Tech OP specialises in developing custom applications that streamline and support business processes. With a track record spanning various industries, we excel in creating and maintaining secure, compliant, and highly controlled commercial software.

Our team boasts over 30 years of experience in developing logistics and IT systems for the Justice sector, working with renowned companies like Capita, Mitie, G4S, and Ventia/Broadspectrum. We provide IT solutions for prisoner transportation, court appearances, and immigration services.

Role and Skills

We're seeking web application developers with full stack expertise and 3 to 4 years of industry experience in commercial solutions. As a Microsoft certified partner, our development stack includes:

- ▶ Microsoft SQL server database
- ▶ Microsoft .NET core environment and C# for server side ORM and web services
- ▶ Single Page Application paradigm for web user interface development using React, Javascript, HTML and CSS technologies.
- ▶ Microsoft Xamarin for mobile applications (Android OS)
- ▶ Microsoft Azure hosting PaaS

Our development procedures are certified to the ISO 27001 standard for information security, and the successful candidate must obtain SC level security clearance.

Career Development Opportunity

At Bamboo, we embrace remote hybrid work options with many of our development team choosing to predominantly work remotely with the choice of a base location from either our Cheltenham HQ or Worcestershire office. You'll have the chance to work on all aspects of projects, grow alongside a passionate team of developers, and pursue Microsoft developer certifications to advance your career.

Benefits

We offer a competitive starting salary (£45K - £65K dependent on experience), 25 days of annual leave, and a company pension plan.

Equal Opportunities

At Bamboo, we foster a diverse and inclusive work environment where everyone is treated fairly. We hire, develop, and promote individuals based on skills, talent, and drive. We encourage applications from candidates who possess the qualities to deliver exceptional service to our customers and partners, even if they don't meet all the criteria.

Additional Information

Our Head Office is located in Cheltenham, near the M5, with a second site in Ombersley, Worcestershire. We pride ourselves on doing things differently, valuing ambition and a passion for progress across all disciplines.

If you're interested in this role and believe you can bring something unique to Bamboo, please email your CV and a cover letter or introduction to futures@bamboo.tech.
